If the Applicant has been at WMU, less than one (1) year, then they may use an instructor from your former academic institution.

Application Form (cont.)

Douglas Daniels

Endowed Geoscience Scholarship and Award

DISCUSSION:

Please answer, in complete paragraph form, the following questions:

- 1) Why have you decided to pursue a career in geology?
- 2) As a geologist, what contribution(s) do you intend to make to the geologic profession?
- 3) As a geologist, what contribution do you intend to make to society?
- 4) If awarded the Douglas Daniels Endowed Geosciences Scholarship and Award, how will you spend the funds (Funds)? Please note, the Applicant herein agrees that if awarded, the Funds shall only be used for the stated purpose(s).
- 5) Explain why expenditure of Funds for the purpose(s) described in question #4 is important/justified, and the impact(s) the receipt of such Funds would have in regard to improving your geosciences education and/or research.

I, _____(print Applicant name) to hereby certify that at the time of this Application I am a declared Geology major, have at least a Junior academic standing, meet/exceed the minimum G.P.A. standards, and if awarded the Scholarship, shall be in attendance at the Spring Geosciences Departmental Awards Ceremony.
