

W. DAVID KUENZI

*GRADUATE & UNDERGRADUATE STUDENT
RESEARCH FUND*

ANNOUNCEMENT FOR 2010 AWARDS

The W. David Kuenzi Fund is a research-oriented, graduate and/or undergraduate student support fund available to registered graduate and/or undergraduate students in the Geology Department. The fund is intended to support graduate and/or undergraduate student research activities, including travel to meetings for presentations, and is intended to augment funds requested from other available graduate and/or undergraduate student support funds.

Consideration for funds is based on submission of a research proposal that has been submitted to any other graduate or undergraduate student-oriented research funding agency.

The deadline for submission of requests for funds from the Kuenzi fund is Monday, March 15, 2010.

Please submit a letter of intent to the department office along with:

- (1) a copy of the research proposal(s) submitted to any other granting agency for the proposed research activities, and*
- (2) response (including award amount) from other proposal(s)*
